

Schweizerische Narkolepsie Gesellschaft Société Suisse de Narcolepsie Società Svizzera di Narcolessia

Emergency ID

Dear member

You are receiving the newly designed emergency card.

The emergency card provides information about your condition (narcolepsy-cataplexy) as well as the medication prescribed by your doctor.

Please detach the emergency ID card and fold it up. Have the emergency card filled out and signed by your attending doctor.

Mr / Mrs:
takes the following medication by medical prescription:
The Doctor:

S Schweizerische Narkolepsie Gesellschaft
SSNa Société Suisse de Narcolepsie
Società Svizzera di Narcolessia

EMERGENCY CERTIFICATE

The holder of this card suffers from a disorder of the sleep-wake regulation of the brain (narcolepsycataplexy).

This disease can cause the affected person to fall asleep on inappropriate occasions and/or be unable to speak, move or avoid falling as a result of a sudden onset of muscle paralysis.

The paralysis symptoms pass spontaneously after a few minutes.
